

The active beach

The active beach offers one or more of the following activities: Surfing, diving, underwater hunting, walking, beach volleyball or the like.

The urban beach

The urban beach is located either at or near urban areas, which means that a visit to a café or a shopping trip are within easy reach. The urban beach offers a cosy environment and it will be frequented by both young people and young families enjoying spending time at the beach.

The picnic beach

The picnic beach is a cosy beach area offering good picnic spots, benches and barbecue facilities. The picnic beach offers a small selection of activities and a lovely view.

The nature beach

The nature beach is located near forests and nature. This is a peaceful and spacious place. Here, you can learn more about nature while spending time on the beach.

The family beach

The family beach provides good bathing opportunities and facilities for children. The beach is sandy, and the waters are shallow and will often feature a playground and toilet facilities. This is a good spot for families to enjoy a nice trip to the beach.

The wellness beach

The wellness beach is typically located in quiet and scenic surroundings and offers more exclusive facilities such as sauna, wellness offer and outdoor lounges. The wellness beach provides you with the opportunity to focus on your personal wellbeing.
